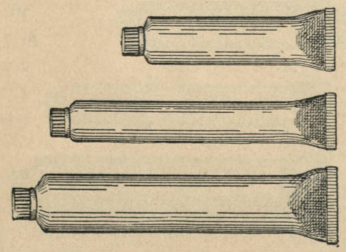
Gallon "	1.60	per gal.

"We make them well so dealers tell."

Thick Heavy
Liquid Wood Rim Tire Cement.

The price is right.

Best that money can buy.



"We make them well so dealers tell."

Heavy
Liquid Wood Rim Tire Cement.

WE are the originators of this heavy bodied liquid tire cement and can guarantee it to you as being the best Cement on the market for it is not effected by heat, cold or water, will not dry out and allow the tire to creep. It is so heavy that it forms a cushion for the tire on the rim, thus preventing the tire when deflated from coming in direct contract with the rim, and thereby wearing out.

The price is right.

PRICES.

Tubes 4 x ¾ (1 oz.)	50 ¢	per doz.
" 3½ x ½ (½ oz.)	40	"
" 2½ x ⅝ (⅜ oz.)	30	"

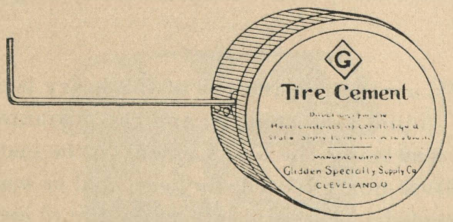
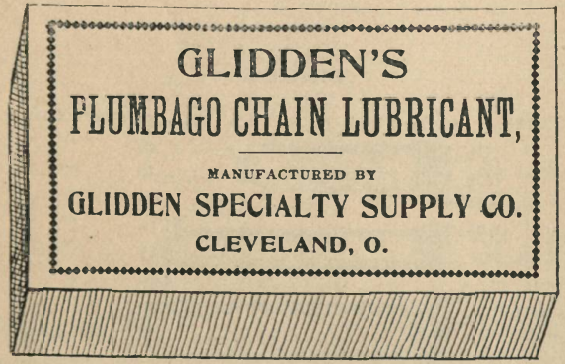
"We make them well so dealers tell."

Solid Tire Cement.



Chain Lubricant.



"We make them well so dealers tell."

Solid Tire Cement.

OUR Solid Tire Cement is the same quality and stock as the Liquid Tire Cement, only being in the solid form. It can be heated to a liquid and reduced to the desired consistency by adding slowly and gradually Benzine or Naptha.

The price is right.

PRICES.

¼ lb tin boxes with handles to heat	$1.50	per doz.
1 lb cakes	.18	per lb.
5 lb "	.15	"
50 to 100 lb lots (bulk)	.12½	"

Plumbago Chain Lubricant.

OUR Plumbago Chain Lubricant is made on an expensive formula, delightfully scented and guaranteed to be equal in quality and every respect to any lubricant on the market. It is put up in the only practical form : namely in cakes 3 x 1½ and the exact width of the chain, thereby preventing any waste, which is absolutely unavoidable in using round sticks of lubricant. Our lubricant is scented, wrapped in fancy tin foil and enclosed in very neat paste board boxes opening at both ends.

The price is right.

Price per doz.	.40
" " gross	$4.00

"We make them well so dealers tell."

Paste Cycle Polish.

Liquid Cycle Polish.

"We make them well so dealers tell."

Paste Cycle Polish.

OUR Paste Cycle Polish is a very fine preparation for removing rust and tarnish from the spokes, forks and nickel plated parts of bicycles. It works very quickly and with little labor.

The price is right.

Price per dozen..... .60
" " gross..... ...$6.00

Liquid Cycle Polish.

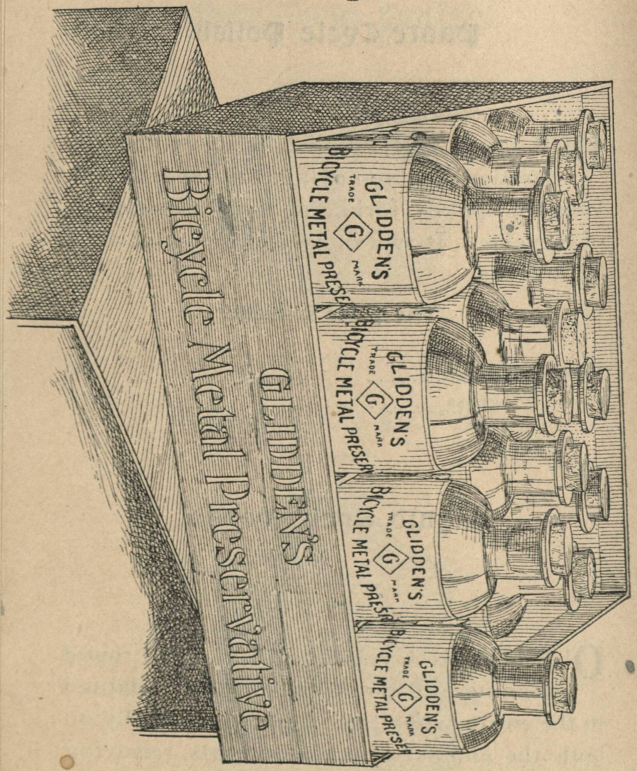
OUR Liquid Cycle Polish is an all round cleaning and polishing compound adapted to the entire wheel, as it works beautifully on both the enamel and plated parts, removing rust and tarnish and preventing the formation of same.

The price is right.

Price per doz..... $1.35

"We make them well so dealers tell."

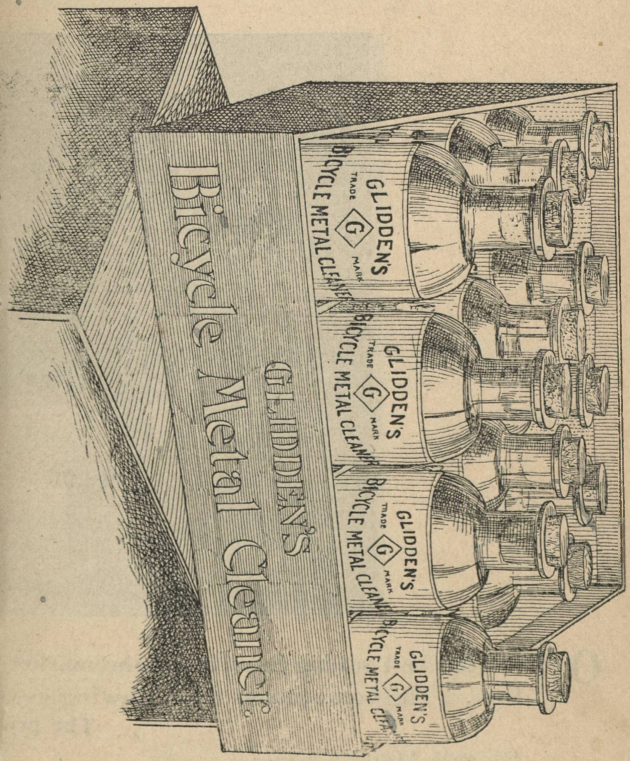
Bicycle Metal Preservative.



THIS is a very high grade lacquer, such as we sell to bicycle manufacturers for puting on the spokes and nickel parts of bicycles, absolutely preventing the action of water and moisture from rusting the plated parts. A good article with merit.

Price per dozen or case $1.00

Bicycle Metal Cleaner.

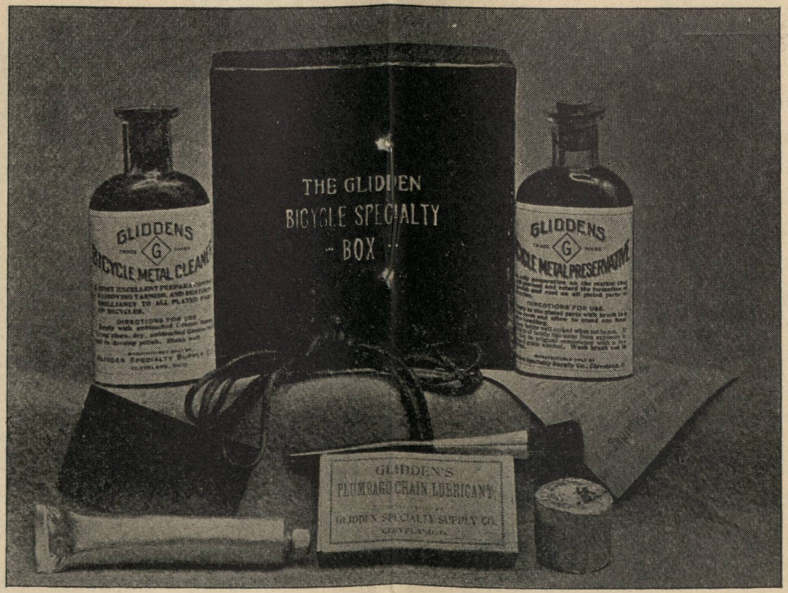


THIS article is especially adapted for cleaning and preserving the nickel and enamel on bicycles. A thoroughly good article.

Price per dozen or case ..... 90¢

"We make them well so dealers tell."

Bicycle Specialty Box.



ONE of the best selling Sundries on the market the past season has been Glidden's Bicycle Specialty Box. The box contains the following essential articles, which are our Standard goods.

The price is right.

Bicycle Metal Cleaner,
" " Preservative,
4 x 3 inch Patching Rubber,
4 x ¾ tube Rubber Cement,
3½ x ½ inch Emery Paper,
Box Chain Lubricant,
1 inch roll Tire Tape,
1 6 foot Lace.

Price per dozen $4.00

"We make them well so dealers tell."

Enamels.

"We make them well so dealers tell."

Enamels.

WE are expert and experienced Varnish makers, and no one can tell us how to make Bicycle Enamels. We have catered to the bicycle enamel business, and have an enormous trade *in same*. If you wish to buy the brightest, most elastic, best drying, easiest to apply and bake, also the latest up-to date colors in baking and air drying enamels, *Buy Glidden's Enamels* and make no mistake.

We give you all the pointers necessary for producing excellent work.

The price is right.

Colored Enamels as per color card.

First coat	.80	per quart.
Finishing coat	1.25	"

"We make them well so dealers tell."

Lantern Oil.

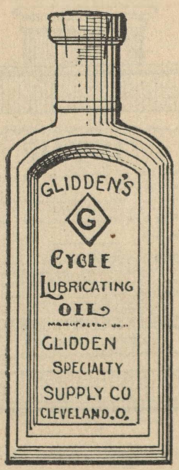
IN presenting this article to you, we do so with the assurance that we have the best Lantern Oil on the market. Our laboratory tests show that the same quantity of our oil compared with others, burns longer than any other oil which may be offered to you, therefor it is more economical. It will not charr the wick, is not effected by the atmosphere, burns a clear steady flame that is very hard to be extinguished by the wind, and a feature that it has is an agreeable oder when burning, a good point.

The price is right.

Price, ½ pint cans..... .....$1.25 per dozen.
" per gallon..... .... .85

"We make them well so dealers tell."

Lubricating Oil.



OUR Lubricating Oil is absolutely the best that money can buy, as it is heavy in body, will not gum and is not effected by atmospheric conditions, it lubricates the bearings perfectly and has great lasting powers, one application of same doing the work of two of any other oil that may be offered to you.

The price is right.

2 oz. bottles..... .... 50¢ per dozen.
4 oz. " ....70 "
per gallon .... 70¢

"We make them well so dealers tell."

Intak.

WE are the originators of puncture proof compounds, and have met the desire of the trade in producing for them "*Intak*," a thoroughly reliable and guaranteed absolutely harmless article, for closing the *averaged* puncture in single tube tires. It works quickly, satisfactorily and will set a plug without the use of cement.

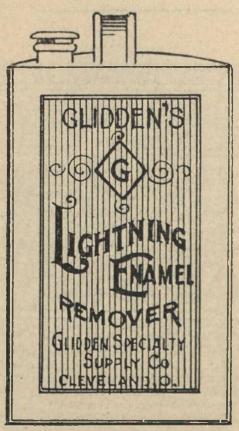
The price is right.

PRICES.

Per dozen with Syringes	$5.00
" without Syringes	4.00
Per gallon for Cycle Liveries	3.50

"We make them well so dealers tell."

Lightning Enamel Remover.



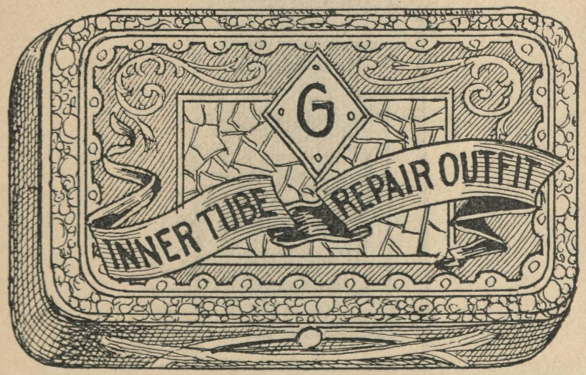
THIS is our latest specialty and fills a long felt want. Repair men who have old bicycle frames to re-enamel will find our Lightning Enamel Remover will immediately soften and remove the old enamel, thereby enabling them to do a new job of enameling, equal in every respect to the work done in the finishing room of a bicycle factory.

The price is right.

Price per gallon	90¢
5 gallon lots	75¢ per gal.

"We make them well so dealers tell."

Inner Tube Repair Outfit.



IN placing our Inner Tube Repair Outfit on the market, we did so with the idea of seeing *how much we could get into same* and *not how little*. Don't buy small cheap repair outfits, they are unsalable. Our repair outfit is the handsomest and best filled box on the market.

The price is right.

Price per dozen $1.25

"We make them well so dealers tell."

Rubbing Compound.

WE guarantee our Rubbing Compound to prevent soreness, if used after exercising. Will be found a valuable aid in Track, Gymnasium and Amateur work. Used by all the prominent Bicyclists and Atheletes of America and Europe. This article is very strong and should be reduced with water one half before using.

The price is right.

Price, per gallon..... ..... $3.00
" ½ pints, per dozen... ..... 2.75
